## CHARLOTTE COUNTY SHERIFF'S OFFICE BUREAU OF DETENTION

### Introduction

This handout is designed to provide you with basic information about your stay at the Charlotte County Jail. This new facility represents the state of the art in jail construction and is designed to provide a safe and secure environment. **This is a Tobacco free facility.**

While we recognize our responsibility to you, we also have responsibilities to other inmates, our staff, and the citizens of Charlotte County.

While you are here, you are expected to behave in a positive manner. Any behavior that is against the facility rules and regulations or that interferes with the jail's operations will not be tolerated. You must follow all staff instructions on command.

Your Housing Unit Deputy has the authority to do whatever is necessary within reason to meet your needs. Make yourself familiar with this handout as it contains valuable information. If questions come up, or if you do not understand the information given to you, direct all questions and concerns to the Housing Unit Deputy.

The Sheriff reserves the right to change any of the information in this handout as Office policy or State mandates dictate such changes.

If you require special assistance due to a language or physical disability, please notify a staff member.

### **OVERVIEW OF THE CHARLOTTE COUNTY JAIL**

All persons arrested in Charlotte County are brought to the Charlotte County Jail to be processed and appear before a judge at First Appearance Court, except persons arrested for US Marshall holds, parole violations and civil actions. Anyone who does not bond out or is not released at First Appearance Court will be housed in the facility. The actual cell assignment will depend upon the arrested person's classification assessment.

The assignment to a specific pod depends on the following: current charge(s), previous criminal record, age, sex, behavior, medical concerns, and other factors assessed during the classification and screening process.

During your stay, you have the responsibility to recognize and respect the rights of others and treat both employees and inmates with respect at all times. Willful insubordination or disobedience may result in removal of any and all privileges, disciplinary or administrative confinement, or possible criminal charges.

### **AFTER YOU ARE ARRESTED**

Your arrest is permanently recorded. Bail will be set per Administrative Order. You will go through the booking process, which includes medical screening, fingerprints, photographs, classification assessment, telephone calls, and temporary housing prior to First Appearance Court.

### **IF YOU ARE RELEASED**

You will be advised of any Court information. Social Services and Community programs are available by request through the Programs unit.

### **IF YOU ARE NOT RELEASED**

You will have a First Appearance Hearing in Court. You will be advised of your rights/charges. The Public Defender will be available. Bail may be reduced, kept the same, increased or you may be released. If you qualify for a "danger hearing" you will remain in custody, pending the outcome of your hearing. You will be assigned to a housing unit, if you remain in custody.

### **ARRAIGNMENT (PLEADING SESSION)**

Public Defender may be assigned if needed and you meet the qualifications. You will be advised of your charge(s), may plea to misdemeanor charge(s) and charge(s) may be disposed of.

### **PRE-TRIAL HEARING**

Set case for trial. Motions for State. Motions for Defense.

### **TRIAL**

Misdemeanors may be tried in County Court; felonies are tried in Circuit Court.

### **CASE DISPOSITION**

You may be found guilty, not guilty, placed on probation, fined or released.

Note: If you are sentenced, you may serve your time in either the County Jail facility or the State Department of Corrections. This will depend upon the court disposition of your case.

## **25. Sexual Abuse/PREA**

- It is the policy of the Charlotte County Sheriff's Office to have set procedures that establish a zero-tolerance standard for sexual abuse of inmates and sexual acts involving inmates regardless of consensual status, to address the safety and treatment needs of inmates who have been sexually battered, and to investigate, discipline and prosecute those who sexually batter/abuse inmates.
- During initial orientation to the facility, Inmates shall be informed of the Charlotte County Sheriff's Office Sexual Battery/Abuse policy. This will include information on prevention and intervention procedures.
- Inmates will be presented with a Sexual Abuse/Battery pamphlet detailing how inmates can report incidents of sexual abuse, as well as the process for gaining access to counseling and treatment programs offered.
- Inmates will be required to sign that they have received and understand the Sexual Abuse/Battery pamphlet.
- During your incarceration, you will have the opportunity to view a video explaining PREA through multimedia sources.

## **26. Pregnant Inmate Restraint**

- The use of restraints on pregnant inmates will be in accordance with FSS 944.241.
- Pregnant inmates will be restrained in such a way to allow them to protect themselves in case of a fall. Pregnant inmates will not be restrained in any manner that would possibly result in injury.

## **27. Inmate Communication Devices**

- You are not to touch or have in your possession, any other tablet besides the one assigned to you.
- You are to report any damage/destruction of your tablet immediately to your Pod Officer.
- You must keep your tablet at a reasonable volume when playing music/movies if you are not using headphones.
- If you are found guilty of intentionally destroying a tablet, you may be placed on tablet restriction for the time of your DR. Your status will then be reviewed as to when your restriction will be lifted.
- Messaging is not intended for "Privileged" or legal communications.

## **28. Disciplinary Actions**

- You (as an individual) may be subject to an individual lockdown order (instant adjudication) for a minor rule violation. If such an order is given, you must immediately go to your cell and shut the cell door, or immediately go to your open bunk area. At a time convenient to the operation of the unit, the Housing Unit Deputy or other staff member will discuss the situation with you.
- A disciplinary report (DR) is written when an inmate has committed a major infraction or repeated violation of any rules of the jail.
- A disciplinary report initiates the facility's formal inmate disciplinary process. The disciplinary process is designed to determine whether your actions violated facility rules and regulations.

- You may be placed in Administrative Confinement prior to the initiation of the formal disciplinary hearing. The basis for this action may be either the seriousness of the charges, or if such action is deemed necessary, for reasons of safety or security.
- If an inmate is found guilty during the disciplinary process, the inmate will be charged an administrative processing fee (\$5.00) to be deducted from the inmate's available commissary funds.
- The procedure for a disciplinary action is as follows:
  - You will be served with a disciplinary report. An impartial deputy will investigate the charges.
  - You will have 24 hours to prepare a defense of the charges. You may waive this 24-hour waiting period in writing. You will be permitted to present evidence in your own behalf including written witness statements.
  - Within 5 working days (excluding weekends and holidays), the Hearing Officer will conduct a disciplinary hearing. The Hearing Officer will make a decision of guilt or innocence.
  - You will be provided with a copy of the Hearing Officer's findings and the Administrative Services Commander's decision. You may appeal the Disciplinary Decision in writing to the Assistant Corrections Commander within 24 hours of receiving your copy of the decision.
  - The Assistant Jail Commander will respond to your appeal within 72 hours excluding weekends and holidays.
  - The Assistant Jail Commander's decision is final.
  - Imposed sanctions may be reduced but cannot be increased.
- Discipline may include but is not limited to loss of privileges, loss of gain time, disciplinary confinement, monetary reimbursement and/or criminal prosecution.
- Disciplinary Confinement will include loss of privileges. This may include specific Commissary items, Programs, Television, Inmate Messaging, photos, and Visitation. Telephone privileges may be limited or revoked as a disciplinary measure. Legal calls and legal visitation will not be restricted.
- It is a misdemeanor of the second degree, punishable as provided in s. 775.082 or s. 775.083, for a county prisoner or a municipal prisoner in a county detention facility to knowingly, on two or more occasions, violate a posted jail rule governing the conduct of prisoners
- Inmates placed on Disciplinary or Administrative Confinement due to behavioral problems will not possess a stool or property bin.
